---

The Rolling Knolls special account is showing a balance of just over \$680K.

Hello All,

The USACE is currently providing oversight of field activities and technical support in support of the RI. We currently have enough funds to carry us through March. A SCORPIO\$ bill for ~\$320K was mailed to the PRP in January. I would like to put \$150K on the USACE contract to fund them thru the year.

Please let me know if we have the funds.

Thanks,  
Tanya
